

	AUDITORIUM	ROOM 2	ROOM 3
08:00 > 08:30	Opening : ANATOMY - KEYNOTE LECTURE (P. Trevidic)		
08:30 > 09:30	LIVEDEMO Youthful face beautification (N. Azib, J. Van Loghem)	BASIC AND CLINICAL RESEARCH (C. Desouches)	
09:30 > 10:30		MESOTHERAPY: NEW TRENDS (R. Smit, P. Petit)	
10:30 > 11:00	MORNING BREAK		
11:00 > 13:00	LIVEDEMO Full face rejuvenation (N. Azib, J. Van Loghem)	FEMALE INTIMATE REJUVENATION (P. Prendergast, G. Leibaschoff) 	TIPS TO GROW YOUR COSMETIC MEDICAL PRACTICE: FROM PATIENT COMMUNICATION TO BUSINESS DEVELOPMENT (V. Philippon, F. Gausseran)
13:00 > 14:00	LUNCH BREAK		Industry Symposium
14:00 > 15:00	LIVEDEMO Male patients : Beauty enhancement without feminisation	2017 PEELINGS	FACIAL PLASTIC SURGERY (M. Rouif, H. Sabatier) 
15:00 > 16:00	LIVEDEMO Trio of injectors for the 3 thirds of a face (1 patient to share)	ASIAN FACE CONTOURING (Y. Renoulet)	
16:00 > 16:30	AFTERNOON BREAK		
16:30 > 17:30	LIVEDEMO Adjuvant treatments : threads prp peels	PRP : UPDATES (P. Hamida Pisal, H. Sundaram)	E-REPUTATION: ROUND TABLE (I. Catoni, E. Plot)
17:30 > 18:30	LIVEDEMO New trends on injectables	HAIR RESTORATION : A NEW ERA (J. Fernandez, F. Menu)	GDEC REPORT 2016-2017 (I. Catoni, I. Rousseaux)

	AUDITORIUM	ROOM 2	ROOM 3
08:30 > 10:30	<p>COMPLICATIONS OF FILLERS (P. Trevidic, D. Humzah, J. Paris)</p> 	<p>BREAST & BODY CONTOURING (P. Prendergast)</p> 	<p>AESTHETIC MEDICINE AND FINE ARTS (F. Braccini, D. Djoudi)</p>
10:30 > 11:00	MORNING BREAK		
11:00 > 13:00	<p>BOTULINUM TOXIN (A. Redaelli, C. Volpei)</p>	<p>MEDICAL PROFILOPLASTY: The new paradigm for the best practice (F. Giausseran, F. Braccini)</p> 	<p>LASER AND NEW TECHNOLOGIES (Y. Renoulet)</p>
13:00 > 14:00	LUNCH BREAK		Industry Symposium
14:00 > 15:00	<p>LIVEDEMO Devices (N. Azib, I. Catoni, MJ. Miniconi)</p>	<p>NEW LASER TECHNOLOGY (O. Zhukoff, A. Roumbas)</p>	<p>SOPREF Autumn meeting New trends and references in oculoplasty (J. Lagier, Ph. Berros)</p> 
15:00 > 16:00		<p>LED SESSION : Clinical glance and a cellular cross talk (M. Pelletier)</p> 	
16:00 > 16:30	AFTERNOON BREAK		
16:30 > 17:30	<p>LIVEDEMO Devices (N. Azib, I. Catoni, MJ. Miniconi)</p>	<p>COSMETIC & NUTRITION (P. Piccerelle, J. Paris)</p>	<p>SOPREF Autumn meeting New trends and references in oculoplasty (J. Lagier, Ph. Berros)</p> 
17:30 > 18:30	<p>UPDATE on FILLERS (H. Padey, F. Braccini)</p>	<p>NON SURGICAL THREADS REJUVENATION (P. Rosalba Russo, JP. Foumenteze)</p>	

AUDITORIUM

08:00-08:30 **OPENING: ANATOMY- KEYNOTE LECTURE.** *P. Trevidic*

08:30-10:30 **LIVE DEMO: Youthful face beautification**

Upperface
Nose and chin, *F. Braccini*
Midface and cheekbones, *M. Paul*
Lips, *J. Van Loghem*
Lowerface, *G. Zakine*

10:30-11:00

MORNING BREAK

11:00-13:00 **LIVE DEMO: Full face rejuvenation**

Botulinum toxin for upperface, nose and lowerface, *A. Redaelli*
Fillers (HA), *R. Acquilla*
Fillers (Sculptra), *R. Fitzgerald*
Fillers (only Radiesse pr Radiesse + Belotero), *F. Berne*

13:00-14:00

LUNCH BREAK

14:00-15:00 **LIVE DEMO: Male patients : Beauty enhancement without feminisation**

Botulinum Toxins ? Fillers ? *S. Dayan or T. Pavivic*
Fillers, *K. Bong*
W. Redka Swoboda

15:00-16:00 **LIVE DEMO: Trio of injectors for the 3 thirds of a face (1 patient to share)**

Upper third, *T. Pavivic*
Middle third, *N. Azib*
Lower third, *H. Padey*

16:00-16:30

AFTERNOON BREAK

16:30-17:30 **LIVE DEMO: Adjuvant treatments : threads prp peels**

Duo Peels (skintech), *V. Averina*
Filorga mesotherapy, *F. Giausseran*
Silhouette soft threads, *O. Claude*

17:30-18:30 **LIVE DEMO: New trends on injectables**

Algeness : new injectable implant for the face, *M. Abozeid*
Arms, knees and shoulders (High diluted Radiesse), *J. Thuis*
How to redefine the posterior neck and calves with Botulinum toxin ?

ROOM 2

08:30-09:30 **BASIC AND CLINICAL RESEARCH.** *Chair: Ch. Desouches*

09:30-10:30 **MESOTHERAPY: NEW TRENDS.** *Chair: R. Smit, Ph. Petit*

Incidents and accidents with mesotherapy: development in 2017, **Ph. Petit**

Bio skin Engineering, **M. Haj-Younes**

Mesotherapy and nutrition of the skin according to age, **V. Philippon**

Intralipotherapy: an alternative to classical mesotherapy and a different way for fat dissolution, **A. Redaelli**

Combined treatment for androgenic alopecia combining botulinum toxin and Mesotherapy, **Ph. Hamida Pisal**

Mesotherapy: where does it fit into the treatment protocol ? **R. Smit**

10:30-11:00

MORNING BREAK

11:00-13:00 **FEMALE INTIMATE REJUVENATION.** *Chair: P. Prendergast, G. Leibaschoff*

SURGICAL FEMALE INTIMATE REJUVENATION

Wake up and smell the coffee: The ABC of FGM, **B. Elias**

Clitoral reconstructive surgery after female genital mutilation, **A. Seifeldin**

Surgical vaginal rejuvenation: the Gold Standard in female intimate rejuvenation, **N. Magon**

The long term sexual impact after laser labiaplasty: what's the truth? **P. Gonzalez**

Labiaplasty disasters: pearls and pitfalls in intimate surgery, **S. Eserdag**

NON-SURGICAL FEMALE INTIMATE REJUVENATION

Treating trophic and aesthetic concerns: the role of lasers in female rejuvenation and surrounding effects, **C. Ghibardo**

Regenerative medicine techniques in female genital rejuvenation, **S. Wakil**

Non-invasive vulvo-vaginal rejuvenation: role of radiofrequency, **N. Magon**

Comprehensive protocol for non-invasive vaginal regeneration: from fat cells to energy-based devices, **G. Leibaschoff**

Q&A with panel

13:00-14:00

LUNCH BREAK

14:00-15:00 **2017 PEELINGS.**

Chemical peeling: what should we know? **May El-Samahy**

15:00-16:00 **ASIAN FACE CONTOURING.** *Chair: Y. Renoulet*

16:00-16:30

AFTERNOON BREAK

16:30-17:30 **PRP : Updates.** *Chair: Ph. Hamida Pisal, H. Sundaram*

Introduction Evidence Based Review of PRP

C. Gonet

A. Gondinet

A. Sclafani

M. Garcia

Q&A

17:30-18:30 **HAIR RESTORATION: A NEW ERA.** *Chair: J. Fernandez, F. Menu*

Successful hair restoration in bald patients with biorevitalisation, **Maria Del Pilar Reyes Agüero**

PRP and androgenic alopecia: a new protocol for best results, **Rubina Alves**

A new medical approach of androgenic alopecia, **Jonathan Fernandez**

Stem cells and androgenic alopecia, **Joseph Chateau**

Hair transplant : legislation and statistics, **Frédéric Menu**

FUE, FUT: When? Why? How? **Ludovic Lievain**

ROOM 3

11:00-13:00 **TIPS TO GROW YOUR COSMETIC MEDICAL PRACTICE:**
From patient communication to business development. *Chair: V. Philippon, F. Giausseran*

PART 1: PATIENT COMMUNICATION

QUALITY OF SKIN TREATMENT. *Chair: V. Philippon*

How to recruit patients & sell a complete treatment? From one session to a complete protocol

Educate patient with skin ageing mechanism.

Use benefits of healthy diet to bring added value of bio-revitalizing treatments

FULL FACE TREATMENT. *Chair: F. Giausseran*

How to sell a quotation for a full face treatment?

Treatment plan explained according ageing process

Utilise luxury brand sale model

Impact of hyaluronic acid injection on self-esteem. European ART survey results

PART 2: DIGITAL COMMUNICATION TO PATIENT?

How to optimize patient traffic from the medical web site and use social media as recruitment tool

What to say ? Not say? Best way to tell the story?

13:00-14:00

LUNCH BREAK - INDUSTRY SYMPOSIUM

14:00-16:00 **FACIAL PLASTIC SURGERY.** *Chair: M. Rouif, H. Sabatier*

Treatment of the eyelids. Between medicine and plastic surgery, *F. Niforos*

Fat grafting and its modern trends, *Dr. M. Sinelnikov*

Success of the mini invasive surgery. Transcutaneous "MACS Lift" without incision. *L. Gavasheli*

16:00-16:30

AFTERNOON BREAK

16:30-17:30 **E-REPUTATION: ROUND TABLE.** *Chair: I. Catoni, E. Plot*

How can we protect ourselves against the abusive effects of an e-reputation together? *A. Watrelot*

E-reputation and medical ethics, *D. Ganem Chabenet*

How to take action against negative opinions on Google? *P. Van de Casteel*

How to manage our e-reputation efficiently? *F. Sutra Fourcade*

How to optimize his website and manage Facebook instagram social media ? *L. Gambino*

SEO et SEM for e-reputation, *A. Tenenbaum*

17:30-18:30 **GDEC REPORT 2016-2017.** *I. Catoni, I. Rousseaux*

AUDITORIUM

- 08:30-10:30 **COMPLICATIONS OF FILLERS.** *Chair: P. Trevidic, D. Humzah, J. Paris*
 E2e
 Illegal fillers : complications and treatment, **J. J Martin**
 Nodular Complications: Problem-Oriented Case Analysis, **H. Sundaram**
 Dangers of aesthetic procedures in wrong hands, **M. Chalouhi**
 Complications: Staying Safe, **D. Humzah**
A. Chiang
B. Rzany
 Dangerous zones for your fillers injection, **P. Trevidic, G. Criollo Lamilla**
 Physico chemical Risk factors in Body Fillers Complications, **A. Tenenbaum**

10:30-11:00

MORNING BREAK

- 11:00-13:00 **BOTULINUM TOXIN.** *Chair: A. Redaelli, Ch. Volpei*
 From past to future, **M. Kane**
 How the 3D anatomy can explain outcomes and pitfalls ? **P. Trevidic**
 Most recent protocols to optimize botulinum toxin, **C. Volpei**
 Micro-meso-botulinum toxin: myth or reality? Practical update, **A. Redaelli**
 Botulinum toxin «around the eye», **E. Sarfati**
 Botulinum toxin in lower face, **F. Braccini**
 My tips and tricks to avoid complications, **N. Azib**
 Neurotoxin complications, **J. J Martin**

13:00-14:00

LUNCH BREAK

- 14:00-16:00 **LIVE DEMO: Devices.** *Chair: N. Azib, I. Catoni, MJ. Miniconi*

16:00-16:30

AFTERNOON BREAK

- 16:30-17:30 **LIVE DEMO: Devices.** *Chair: N. Azib, I. Catoni, MJ. Miniconi*
- 17:30-18:30 **UPDATE on FILLERS.** *Chair: H. Padey, F. Braccini*
 Rheology and behavior of hyaluronic acids. How to make the right choice? **Ph. Piccerelle**
 Anatomy of dangerous facial areas with fillers, **P. Trevidic, G. Criollo Lamilla**
 The causes of complications with fillers. How to manage them Fillers without BDDE, is this possible ?
JL. Vigneron
 What is the ideal Facial Volumetry ? **Ch. Volpei**
 Less is More. New concept in the use of fillers, **F. Braccini**
 Anatomic, Scientific and Clinical Rationale for Layered Volumetry, **H. Sundaram**
 Toxin alternatives and their efficacy, **V. Wong**

ROOM 2

08:30-10:30 **BREAST & BODY CONTOURING.** *P. Prendergast*

Tips for circumferential lipoplasty of the lower limbs: planning, contouring, and skin retraction, **A. di Giuseppe**
 Optimising results and cell survival after autologous fat grafting for breast augmentation, **K. Ueberreiter**
 Protocol for gynecomastia using ultrasound-assisted lipoplasty under local anaesthesia, **P. Prendergast**
 Breast contouring with injectable radiofrequency, **G. Leibaschoff**
 Mastopexy with cohesive gel silicone implants under local tumescent anaesthesia, **A. Rebelo**
 Lipocontour: creating the perfect waist-hip ratio with combined lipoplasty and fat grafting, **H. Duran**
 Combined liposuction, tissue tightening and fat harvesting using a novel 1470nm diode laser technology
 4D high-definition lipo: the new era of body contouring, **A. Athanasiou**
 Treatment of cellulite dimples: controlled subcision versus ultrasound dissection **R. Bartsch**
 Q&A with panel

10:30-11:00

MORNING BREAK

11:00-13:00 **MEDICAL PROFILOPLASTY : The new paradigm for the best practice.** *F. Giausseran, F. Braccini***FOREHEAD:**Artistic approach : How to understand the ideal profile? **J. Djoudi**Forehead : forehead and upper third : a harmonious balance, **Ph. Garcia**Nose : Anatomic landmarks to make sure your procedure is safe, **G. Criollo Lamilla**Why the nose is an illusion ? What is the best technique to achieve perfection ? **F. Braccini**Ptosis correction by toxin, **E. Sarfati****CHEEKBONES:** My theory for a natural cheek, **F. Belfkira**Must we choose between the bolus technique and the fan technique? **J. Huth****LIPS:** Tips and tricks to obtain a natural lip, **C. Desouches**No touch lip enhancement, **E. Guisantes**Updates and techniques for lip rejuvenation and enhancement (fillers, toxin, threads for the lips), **V. Wong****CHIN:** Chin filling and management. Female versus male approach, **F. Giausseran**

13:00-14:00

LUNCH BREAK

14:00-15:00 **NEW LASER TECHNOLOGY.** *O. Zhukoff, A. Roumbas*New approach in laser rejuvenation. Innovative solutions and techniques. **R. Andreas**The Effectiveness of Laser Therapy for Healings Diabetic Wounds & Burns Farouk A.H. **Al-Watban**Dealing with laser complications, **M. Gonzalez**Laser and surgery combined therapy, **Y. Renoulet**How to manage hyper pigmented lesion with laser solutions? **MJ. Miniconi**15:00-16:00 **LED SESSION : Clinical glance and a cellular cross talk.** *M. Pelletier, JA. Grimaud*New research to understand the Dermo Epidermal Cross-Talk: Photobiomodulation, Bioinduction, Mecano- transduction, **JA. Grimaud**Light Emitting Diode Red Light Impact on Cellular Signaling and Function in Skin Fibrosis, **J. Jagdeo**

Preparing the Skin or repairing the Skin? Changes in cell signalization in function of the sequence of LED

Delivery, before or after an aesthetic procedure, **S. Hausdorfer**Acne: A Vicious signaling circle? **L. Fouque**

16:00-16:30

AFTERNOON BREAK

16:30-17:30 **COSMETIC & NUTRITION.** *Ph. Piccerelle, J. Paris*Learning how to decipher the composition of the products that we prescribe, **R. Martin (Lull)**Answers to the patients' frequently asked questions, **M. Le Maitre**Anti-age cosmetology. How to choose the right active ingredients? **G. Tarpin-Lyonnet**Masked allergens, **JR. Manciet****Dr Marchal**17:30-18:30 **NON SURGICAL THREADS REJUVENATION.** *P. Rosalba Russo, JP. Founteze*The biomechanics of suspensory threads, **P. Nicolau**My experience in the use of cone threads, **P. Rosalba Russo**«Easy jawlift» with threads. New technique. **JL. Vigneron**One-stitch facelift : indications and technique. **P. Prendergast**Combined use is optimal for safe, effective thread placement, **M. HAJ-Younes**Permanent tightening threads. How they have become a true lifting procedure, **JP. Founteze**Thread lifting with polycaprolactone threads (Happy Lift) **V. Wong**

ROOM 3

08:30-10:30 **AESTHETIC MEDICINE AND FINE ARTS.** *Chair: F. Braccini, J. Djoudi*
 Basic artistic rules-facial expressions, **S. Werken**
 Makeup, relooking and postoperative advice, **L. Larthomas**
 Photoshop: how to distinguish true from false or how to deal with the patients' demands, **M. Condé**
 EBAME, artistic and expressive analysis of the face: a new form of artistic training in aesthetic medicine, **J. Djoudi**
 The Golden Number, **E. Essayagh**
 Q&A

10:30-11:00

MORNING BREAK

11:00-13:00 **LASER AND NEW TECHNOLOGIES.** *Chair: Y. Renoulet*
 New revolutionary peeling, **JL. Vigneron**
 Defocalized ultrasound and depressurized ultrascission. New technologies, **E. Plot**
 How to choose the right machines in esthetic medicine? What works and what you should avoid, **Ph. Blanchemaison**
 Scars and stretch marks . What is the best solution? **S. Dahan**

13:00-14:00

LUNCH BREAK

14:00-16:00 **SOPREF Autumn Meeting : New Trends and references in oculoplasty.** *Chair: J. Lagier, Ph. Berros*
 Lower lid fillers vs blepharoplasty with fat repositioning. **JJ. Martin**
 New approach to the treatment of dark circles with hyaluronic acid. The «tear through ligament»,
 The key to success!, **Ph. Berros**
 Blepharoplasty to upper eyelid. **E. Sarfati**
 Eyebrow position: Anatomical sighting, how to modify it? **E. Sarfati**

16:00-16:30

AFTERNOON BREAK

16:30-18:30 **SOPREF Autumn Meeting: New Trends and references in oculoplasty.** *Chair: J. Lagier, Ph. Berros*
